RE: An Inquiry into Universal Service and Funding Issues
Administrative Case No. 360

Dear Ms. Stumbo:

Pursuant to Ordering paragraph 2 of the Kentucky Public Service Commission's ("Commission") July 23, 2008 Order, eligible telecommunications carriers ("ETCs") unable to submit their completed Lifeline reports by August 15, 2008 deadline, are required to submit a status report to the Commission on that date and every 30 days thereafter until the Lifeline audit is concluded. In accordance with the Commission's requirements, Dobson Communications Corporation ("Dobson") is submitting this status update.

In a letter submitted to the Commission on August 14, 2008, Dobson filed a Lifeline status report for two areas, KY-6 Madison RSA and KY-8 Manson RSA. For the reasons explained in the August 14th letter, American Cellular Corporation ("ACC") customers in KY-6 and KY-8 had not yet been surveyed for the annual Lifeline report. Surveys have now been sent to all of the Lifeline customers in KY-6 and KY-8 with a requested response date of October 24, 2008. Pursuant to the Commission's Order, ACC will provide a status report to the Commission every 30 days until the audit is complete and the results are reported to the Commission.

Sincerely,

Suzanne Halverson
